FROM THE PRESIDENT:

Dear NUTS,

It was great to see the big turnout for last month's meeting. I saw many new faces and hope to get acquainted with all of them. These new members present a great chance to meet people who share our interests in treasure hunting. Take advantage of this chance to make new friends and pick up some hunting tips. It looks like combining our club with the bottle club is a big success!

This month our speaker will be Gene Sessions. Mr. Sessions is a history professor at Weber State University, who compiled the work of the late Donald Moorman into a book entitled **Camp Floyd and the Mormons, The Utah War**. This will be an excellent time to learn from an expert about this early and exciting time in Utah history. I hope all club members make plans to attend.

Our Fish Springs trip will be April twenty-third. Hopefully it will be a dry weekend for a change. It should be a lot of fun and a good chance to get out in the desert before it gets too hot. See you there.

Sincerely, Bill Brown

FIND OF THE MONTH RULES (continued)

You do not have to be present to enter the Find of The Month competition. If you cannot make it to the meeting, you can arrange to have your finds brought to the meeting and they will be entered in the categories you specify.

Only one item can be entered in each category unless the items were found together and must remain together to make the entry complete. For example, a necklace with a gold coin attached would qualify as a single entry in the jewelry or artifact categories. A group of coins found together cannot be entered as one item (except as a display in January), however a group of coins attached or fused together would be one item.

If you specify an entry for a category for which it does not qualify, you will be asked either to enter it in the correct category or remove it from the competition. If you have a question about how to enter an item, ask the Find of the Month chairman or the person in charge.

Nuts Treasure Hunter of the Year will be announced at the December meeting. The winner will be selected based on total points earned in competition during the year. Points will be awarded as follows:

First Place in a category	4 points
Second Place	3 points
Third Place	2 points
Fourth thru Last Place	1 point

If you have an entry for every category you will get a minimum of 11 points for that month.

At the January meeting members are invited to make a display of their best finds of the year and enter it in a "Display Only" competition. Prizes will be awarded, but no points will be given towards the next year's competition.

There will be no Find of the Month at the December, January, February, or March meetings.

THANK YOU: Wagon Master, Bruce Dugger, would like to thank all those who bought raffle tickets over the last few months. All money collected from raffle ticket sales goes to buy prizes for future drawings. With your continued strong support, he can continue to bring us more fine specimens.

NEW RAFFLE DRAWING RULE: All raffle tickets must be flat, not creased or folded. This rule will help ensure that all tickets have an equal opportunity of being plucked.

FROM THE EDITORS: Any item of news or information you would like to share with the rest of the club may be submitted to Eric Jameson or Karen Secor no later than the second Tuesday of each month, to be in time for the next newsletter.
